TERMS

- All payments made are non-refundable
- When approving the progress photos, it is assumed you are happy with the artwork thus far.
- Signing this contract means I will complete the project and that you will make all payments required.
- Progress on painting will not be made until payment is received in the case of 50/50 or 1/3 payments.
- If you fail to communicate with me and make payments, I will reach out once a week for three weeks. If after those good faith efforts on my part to contact you, ghosting me and failure to complete payment makes the commission my property
- I do not make replicas of previous paintings of mine. But I will create 'inspired by' works with a similar feel and palette.
- Major changes to the concept of a painting are not permitted after 1/3 progress. If it is necessary, it will incur a charge of 25%.
- In the unlikely event of severe damage to the painting before it reaches you, I assume responsibility. You have the choice of a new painting or a refund.
- In the artwork, you can decide the subject matter, what kinds of flora/fauna, poses, etc. Ultimately the final painting will be my artistic interpretation.

Thank you for your agreement and consideration to these terms. It is for protection and transparency for both parties.

In signing this document, artist and patron agree to the above terms.
